GREGORY H. WOODS, United States District Judge:

The Court has received the proposed consent order signed by Plaintiff and defendant Loudoun County School District. Dkt. No. 76. Consent to a magistrate judge's authority under 28 U.S.C. § 636(c) requires the consent of all defendants in an action. Because only one of the defendants in this case consents to proceed before a magistrate judge, the case is not referred. However, the parties may consent to a magistrate judge's authority for specific motions, including the pending motion which applies to defendant London County School District. The appropriate form for doing so is available on the Southern District of New York's website.

SO ORDERED.
